Supporting missions has always played a very important part in the life of North Holland Church. Many people are involved in the Mission Action group with projects at Cran Hill, Camp Beechpoint, and Camp Warwick in New York. One of the biggest money makers is the food booth at the Ottawa County Fair

During 2004 our church experienced change, Pastor Thompson left, during the summer of 2005 Wayne Ondersma left.

During 2005 North Holland Reformed Church Celebrated its 150th Anniversary. We did the exciting series "The Purpose Driven Life" Our Senior High Youth Group went to Alaska, and we celebrated the entire year of the 150 years North Holland has been around.

In July of 2006 we welcomed Pastor Josh Van Leeuwen. Before Pastor Josh and his wife Heather came to North Holland it was decided to remodel the parsonage. Spring and Summer of 2006 was spent completely remodeling the parsonage and "bringing it up to date".

North Holland raised over \$100,000 for the remodel.

In 2007 the church basement flooded, and the church basement got new carpet.
