## **Youngins**

The Youngins of North Holland are young people, young couples, young families, and families with young children that are invited to participate in regular relationship and fellowship building activities. Those interested are invited into small groups for an opportunity to faithfully study God's Word, to deepen one's walk with Jesus Christ and other believers, to mature accountability, and to encourage support from others committed to the same.

*Contact:* Karac & Kim Zwart (875-8620)
